1	Worldwide antisemitism.	Zech. Ch. 12	"though all nations of the earth are gathered against it (Israel)."	Antisemitism can be seen everywhere right now. All one has to do is turn on the news and see how people across the world are staging protests against Israel for defending herself against Hamas and the Palestinians-especially on college campuses. In addition, the United Nations has condemned Israel and condoned Hamas. In fact, in 2023, out of 21 UN General Assembly resolutions that criticized countries, 14 of them—two thirds—were focused on Israel alone.
2	3rd Temple preparations.	Dan. 9:27; 12:11, Matt. 24:15, 2 Thess. 2:4, Rev. 11:1-2	<i>Various verses.</i>	The Bible doesn't tell us specifically how the Temple will be rebuilt. Numerous scenarios are possible, but one thing is sure—the Temple will be rebuilt in Jerusalem, just as God's Word predicts! In fact, everything needed for the Temple Institute in Jerusalem to be rebuilt is ready. All instruments, and even the red heifers. https://free.messianicbible.com/feature/the-temple-vessels-are-ready-for-the-rebuilding-of-jerusalems-third-temple/
3	Division of the land of Israel.	Joel Ch. 3	"They have also divided up My land."	Right now there's unbelievable pressure on Israel to give Gaza back to the Palestinians. The world (including the U.S. now) is pushing Israel for a two-state solution, which will divide israel.
4	Gog-Magog War	Ezekiel Ch. 38-39	"On that day it shall come to pass that thoughts will arise in your mind, and you will make an evil plan:"	In Ezekiel 38, the Lord revealed a coalition that will assemble in the last days against Israel. There is some disagreement between Bible scholars about who those countries are, but most are agreed upon. Those nations are Russia as the leader of this coalition, then Iran, Turkey, Ethiopia, Libya, Germany (possibly Gomer), and the "stan states" (Afghanistan, Uzbekistan, etc). Most of these nations are already against, or have strained relationships with Israel, and are continuing to worsen.

5	Psalm 83 War.	Psalm 83	“Come, and let us cut them off from being a nation, That the name of Israel may be remembered no more.”	This is believed to be happening right now (as of 2/27/2024) and began on October 7th when Hamas attacked Israel. This war is differentiated from the Gog-Magog War because the Psalm 83 War is a regional war involving neighboring countries around Israel. The Gog-Magog War will involve countries that are more widespread. These Psalm 83 countries say they're going to cut Israel off from being a nation until she exists no more, and that's happening right before our eyes. Israel is fighting a seven-front war and Israel is surrounded exactly the way that Psalm 83 says.
6	Antichrist spirit of deception.	2 Thess. 2:7	"For the mystery of lawlessness is already at work"	The Antichrist is going to come with all power, lying in unrighteous deception. The biggest thing in the news right now is the advancement of artificial intelligence (AI) and the concerns of how it is already being used to deceive people. The media is overflowing with stories of how young people are believing that they are the opposite sex than as they were born. This is the Antichrist spirit of deception, and you can check that box.
7	Apostasy in the church.	Matt. Ch. 25	Parable of the 10 virgins	The virgins in this parable represent the church in the last days, and Jesus is saying "When I return, half the church will be true and half the church will be false." Social media is ripe with people leading others to "deconstruct" their faith. Another example of this is the United Methodist Church. Just recently, 7,286 Methodist churches out of 30,000 United Methodist congregations have received approval to disaffiliate from the denomination since 2019. They are leaving because the denominations choice to please the world instead of God through it's attempts to meet diversity, equity, and inclusion (DEI) expectations of popular culture.
8	Immorality & violence	Matt. 24:37-44	"As it was in the days of Noah"	This is talking about the days of Noah. The Earth was corrupt before God, meaning it was sexually immoral and filled with violence. Consider the number of recent school shootings for the violence. Then for the sexual immorality, this should need no explanation. From the sexualization of our children to the explosion of the LGBTQ community and the world's celebration of it all.
9	Worldwide unrest and anxiety.	Luke 21:25-26	"Distress of nations, perplexity, & men's hearts failing them."	Anxiety, depression, and suicide have skyrocketed since Covid and experts say that this current generation is the most depressed and anxious generation ever in American history.

<p>10</p>	<p>Signs in the sun, moon, and stars.</p>	<p>Luke 21:25</p>	<p>"And there will be signs in the sun, in the moon, and in the stars"</p>	<p>Blood Moon tetrads have happened <u>on Jewish holy days</u> a total of 4 times in the last 500 years. Most recently this happened in 2014 & 2015 15 when the activity on the Temple Mount exploded when Jews were allowed there after not being allowed for many years. Then in 2017, the Revelation 12 sign happened where a woman was clothed with the Sun and the moon was at her feet. She was giving birth and she had 12 stars on her head. Also in 2017, there was an eclipse that went from Oregon to South Carolina all the way across the United States. One month from now on April 8,2024, there will be another eclips that travels from Texas all the way to Maine, and will mark an "X" over the U.S. The significance of this is that Jews believe that a blood moon is an omen to the Jews but a solar eclipse is a omen to the world, and signs like these in the sky has never happened at these rates.</p>
